**NOTE:**

**Purpose:** Program provides funding to assist high schools in paying the additional costs of approved career and technical education programs. Career and technical education programs eligible for Carl D. Perkins funding include: agriculture education; health occupations education; business education; family and consumer sciences education; industrial/technology education; and marketing education. Programs must be taught by instructors endorsed in the respective curricular area. Career and Technical Education is an organized instructional program that provides integrated academic and technical curriculum to prepare secondary/postsecondary students for employment, continuing education, and a career. The funds to support this goal are provided through Title I of the Carl D. Perkins Career and Technical Education Improvement Act of 2006.
