

Central Community School System's Parental Involvement Plan

School Year 2015-16

The Central Community School System officially originated on July 1, 2007. This unique opportunity to use strong community support as the starting point for parental involvement in the schools will be a primary goal of our district. The Central Community School System recognizes that parental involvement must be a priority of the community for children to learn and achieve academic success. Parents and families provide the primary educational environment for children; consequently, parents are vital and necessary partners with the school system throughout their children's elementary and secondary school careers. (The term parent shall refer to any caregiver who assumes responsibility for nurturing and caring for children, and includes parents, grandparents, aunts, uncles, foster parents, stepparents, and others.) The concept of parental involvement shall include programs, services, and/or activities on the school site, as well as contributions of parents outside the normal school setting.

It shall be the policy of the Central Community School System and each public school, in collaboration with parents, teachers, students, and administrators, to establish, develop, and maintain strategies and programs that are intended to enhance the involvement of parents/caregivers. As part of the parental involvement program, it shall be the responsibility of every school to create a welcoming environment conducive to learning and supportive for comprehensive family involvement programs.

DISTRICT LEVEL RESPONSIBILITIES

At the district level, the Central Community School System shall:

1. Involve parents in the joint development and amendment of the school district's plan, which includes components of the district's parental involvement program, to be submitted to the Louisiana Department of Education. Such involvement shall involve, but not be limited to, the following:
 - a. interacting with each school's School Improvement Team, which is actively involved in addressing student needs in the school;
 - b. conducting open public workshops on major instructional or social issues;

c. holding regular School Board meetings, with opportunities for the Board to receive public input and comments

d. requiring each school to conduct an annual Open House;

f. Provide coordination of various programs that involve parents, technical assistance, and other support necessary to assist every public school in the Central Community School System in planning and implementing effective parental involvement programs and strategies.

g. Coordinate and integrate community parental involvement programs that promote parental involvement.

h. Conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of components and strategies of the Board's parental involvement program and assess the components' and strategies' usefulness. The evaluation shall attempt to identify ways of improving the academic quality of the schools served by the Board, including identifying barriers to greater participation by parents in educational and parental involvement activities; particular attention shall be directed to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background. The School Board and each school shall use findings of such evaluation to design strategies for more effective parental involvement, and to revise, if necessary, the parental involvement policies and procedures.

1. Distribute to parents information about the Central Community School System's parental involvement program, as well as provide proper notification to parents about specific services or special programs, as required by state or federal

law. Notification shall also include, at the start of school each year, the right of parents to request and receive timely information on the professional qualifications of their children's classroom teachers.

2. Submit with the No Child Left Behind (NCLB) Consolidated Application plan to the Louisiana Department of Education comments of parents of participating children who are not satisfied with components of the parental involvement program.

4. Coordinate and integrate parent involvement programs and activities with daycare centers and preschools within Central. Flyers advertising parental activities at Central Community School System schools will be distributed to daycare centers and preschools as appropriate. In addition, the **Early Steps** program will be notified of any of these activities so they can invite the parents they serve. Pre-K and Kindergarten *Round-Up* information will be sent to these programs and centers. At the *Round-Up* parents are given information regarding registration for school, the curriculum, academic expectations, etc...

Such compact shall:

1. Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children to meet the state's student academic achievement standards, and the ways in which each parent will be responsible for supporting their children's learning, such as monitoring attendance, homework completion, and television watching; volunteering in their child's classroom; contributing services outside the normal school setting; and participating, as appropriate, in decisions relating to the education of their children, and positive use of extracurricular time.
