Community Eligibility Provision

Dear Parent or Guardian:

We are pleased to inform you that the Central Community School System will be implementing a new option available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for School Year 2017-2018.

What does this mean for you and your children attending the Central Community Schools?

Great news for you and your students! All enrolled students in the Central Community School System are now eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the 2017-2018 school year. No further action is required of you. Your child or children will be able to participate in these meal programs without having to pay a fee or submit a meal application. If your child or children purchase extra items there will be a charge for these items. If you currently owe a balance for meals prior to April 1, 2017, you will be responsible to pay this balance.

If we can be of any further assistance, please contact April Kurtz at 650-2919 or Kittie McPhate at 650-2918.

Sincerely,

April Kurtz, Child Nutrition Program Supervisor

Michael Faulk, Superintendent
