CHAPTER 1: OVERVIEW

101: GUIDELINES OF THE PROGRAM

- A. As required by R.S. 17:391.2 et seq., all local educational agencies (LEAs) in Louisiana developed accountability plans to fulfill the requirements as set forth by the laws. Specifically, Act 621 of 1977 established school accountability programs for all certified and other professional personnel. Act 9 of 1977 established a statewide system of evaluation for teachers and principals. Act 605 of 1980 gave the Louisiana Department of Education (LDE) the authority to monitor the LEAs' personnel evaluation programs. Act 54 of 2010 requires that measures of student growth be incorporated into teachers' and administrators' evaluations and represent 50 percent of their final rating. In addition, Act 54 of 2010 requires that all teachers and administrators receive annual evaluations. In passing these Acts, it was the intent of the legislature to establish within each LEA a uniform system for the evaluation of certified and other professional personnel.
- B. The guidelines to strengthen local teacher evaluation programs include the Louisiana Components of Effective Teaching and were entitled "Toward Strengthening and Standardizing Local School Districts' Teacher Evaluation Programs." The guidelines were approved by the Louisiana Board of Elementary and Secondary Education (BESE) in September 1992. These guidelines, along with the requirements of the local accountability legislation, form the basis for the local evaluation programs.
- C. BESE also authorized the convening of the Louisiana Components of Effective Teaching (LCET) Panel in spring of 1992. The charge of the panel was to determine and to define the components of effective teaching for Louisiana's teachers. Reviewed and revised in the late 90s and 2002, the components are intended to reflect what actually takes place in the classroom of an effective teacher. The original 35 member panel was composed of a majority of teachers. The resulting *Louisiana Components of Effective Teaching*, a descriptive framework of effective teacher behavior, was intended to be a uniform element that served as evaluation and assessment criteria in the local teacher evaluation programs.
- D. In 1994, Act I of the Third Extraordinary Session of the 1994 Louisiana Legislature was passed. Act I amended and reenacted several statutes related to Local Personnel Evaluation. In April 2000, Act 38 of the Extraordinary Session of the 2000 Louisiana Legislature was passed. Act 38 amended, enacted, and repealed portions of the legislation regarding the local personnel evaluation process. While local school districts are expected to maintain the elements of the local personnel evaluation programs currently in place and set forth in this document, Act 38 eliminated the LDE's required monitoring of the local implementation. Monitoring of local personnel evaluation programs is to occur as requested by BESE.
- E. In August 2008, BESE approved the Performance Expectations and Indicators for Education Leaders to replace the Standards for School Principals in Louisiana, 1998 as criteria for principal evaluation.

103: PURPOSES OF PERSONNEL EVALUATION

The Central Community School System recognizes the need to fully implement *Bulletin 130 - Regulations for the Evaluation and Assessment of School Personnel* if it is to fulfill the expectations of this community and the State of Louisiana.

The philosophy of the Central Community School System stems from the belief that all students can learn, that good teaching increases the opportunities for learning, and that a collegial, collaborative relationship between an evaluatee and evaluator creates the appropriate climate for effective teaching. To support this relationship, the purposes of the evaluation program are explained and discussed with all evaluatees.

The Central Community School System has developed its District Strategic Plan that includes district wide goals. The philosophy of principal evaluation in the Central Community School System embraces the belief that an effective principal works with staff to identify school goals. These goals promote the enhancement of student learning. The effective school leader maintains a safe and orderly school environment and creates (promotes) a positive school atmosphere where staffs are empowered to make decisions collaboratively regarding the school's programs. Effective principals are visible, positive role models who are respected by staff, students, and the school community.

They are leaders who encourage by example, ongoing professional development of those around them. They promote leadership in others so all can learn to lead. They are fair and consistent, yet flexible enough to be creative problem-solvers and risk-takers. The Central Community School System believes that this philosophy captures the essence of the effective principal and will serve as the foundation for the principal evaluation process.

- A. The purposes for which personnel evaluation will be used in Louisiana are as follows:
 - 1. to support performance management systems that ensure qualified and effective personnel are employed in instructional and administrative positions;
 - 2. to enhance the quality of instruction and administration in public schools;
 - 3. to provide procedures that are necessary to retain effective teachers and administrators and to strengthen the formal learning environment; and
 - 4. to foster continuous improvement of teaching and learning by providing opportunities for targeted professional growth and development.

105: FRAMEWORK FOR LEA PERSONNEL EVALUATION PROGRAMS

- A. Each local school board has the responsibility of providing a program for the evaluation of certified and other professional personnel employed within the system. Programs should be appropriate and should meet the needs of the school district.
- B. Local personnel evaluation plans defined by the board shall include, at a minimum, the following elements.
 - 1. Job Descriptions
 - a. The LEA shall establish job descriptions for every category of teacher and administrator. All job descriptions shall contain the criteria for which the teacher or administrator shall be evaluated.
 - b. The Central Community School System has established a job description for every category of certified and other professional personnel according to the personnel accountability plan. The evaluator will provide all personnel a copy of their current job description and will ensure that each job description has been signed and dated annually.
 - c. All job descriptions will be signed by the employee and the evaluator no later than September 15th of each year. Job descriptions will be sent to the Office of Personnel Services and Operations no later than October 1st of each year.
 - 2. Observation/Data Collection Process
 - a. The evaluator or evaluators of each teacher and administrator shall conduct observations of teacher and administrator practice sufficient to gain a complete picture of performance and impart individualized feedback each year.
 - b. This shall include a minimum of two observations per academic year and may include more observations, particularly for teachers or administrators that are not meeting expectations.
 - c. Ideally, one observation (either announced or unannounced) will be conducted in the fall and one observation will be conducted in the spring. However, an employee may be complete both the announced and the

unannounced observation cycle in the fall or the spring if extenuating circumstances are present.

- d. At least one of these observations shall be announced and shall include a pre- and post-observation conference. Following all observations, evaluators shall provide evaluatees with feedback, including areas for commendation as well as areas for improvement.
- e. Additional evidence, such as data from periodic visits to the school and/or classroom as well as written materials or artifacts, may be used to inform evaluation.
- f. The evaluator must notify the evaluatee in advance when announced observations will occur. During the Pre-Observation Conference, the evaluatee will meet with the evaluator with the relevant information about the lesson or activity to be observed.
- g. Each announced observation and each unannounced observation is to be documented in writing on the appropriate forms for such. As soon as possible, but no later than fifteen (15) working days following the observation, the observer holds a post-observation debriefing conference to discuss the announced classroom observation results and comments.
- h. A signature and date does not mean the evaluatee agrees or disagrees with the contents; rather the evaluatee has had the opportunity to meet and discuss the observation results and has been provided a copy. Should the evaluatee refuse to sign the announced or unannounced observation form, this should be documented on the form and witnessed by a third party.
- i. ***All observations and evaluations must be finished no later than May 15 of each school year.***

3. Professional Development and Support

- a. LEAs shall provide multiple opportunities for teachers and administrators to receive feedback, reflect on individual practice, and consider opportunities for improvement throughout the academic year, and shall provide intensive assistance plans to teachers and administrators, according to the requirements set forth in this bulletin.
- b. The Central Community School System will provide multiple opportunities for professional development for all teachers and administrators. These opportunities will include, but not be limited to:
 - i. Face-to-Face presentations and delivery;
 - ii. On line development;
 - iii. Louisiana State Department of Education delivery;
 - iv. Use of other providers;
 - v. Continuing development of Central Community School System implementation of Rigor and Relevance through the International Center for Leadership in Education

4. Teacher Support Plan

- a. The Teacher Support Plan is a plan to provide support and resources to aid a teacher in need of improvement in effective classroom instruction or in other areas included in the teacher job description.
- b. The purpose of placing a teacher on the Teacher Support Plan is preventative in nature and is designed to help the teacher improve in an area of concern or deficiency. This plan does not replace any other state mandated teacher assistance plan and is not tied solely to the Compass Observation tool or rubric.
- c. A teacher can be placed on a Teacher Support Plan at any time by a school level administrator. The criteria for placing a teacher on a teacher support plan includes, but is not limited to:
 - i. Observed deficiencies during informal or formal observations by administration;
 - ii. Deficiencies observed in walk-through observations by administration;
 - iii. Student performance concerns;
 - iv. Deficiencies noted in general non-documented classroom observations
- d. A Teacher Support Plan will be developed by the school administrator. When the TSP is presented to the teacher by the administrator, the teacher will have the opportunity to ask questions and make suggestions for additional activities that could help to improve the area of concern. The TSP will include three areas:
 - i. Identified area of concern or deficiency noted by the administrator;
 - ii. Plan of action to be completed using resources/support/assistance provided by the district;
 - iii. Anticipated outcome from completed plan and the criteria that will be used for evaluation
- e. The Teacher Support Plan will include a beginning date and an expected completion date. The time frame for completion of the plan should not extend beyond six calendar weeks.
- f. Process for implementation of a TSP:
 - i. Administration determines a need for a plan based on evidence gathered.
 - ii. Administration develops and prepares a plan to address the area of concern.
 - iii. Administration conferences with the teacher and explains the reason for the plan, the activities /tasks required of the teacher, the anticipated outcomes and the expected date of completion.
 - iv. The teacher and administrator shall sign the plan on the date the plan is presented. Failure of a teacher to provide a signature at the

time the plan is presented will be considered willful neglect of duty / disobedience.

- v. A copy of the plan will be given to the teacher by administration when the plan is presented to the teacher.
 - vi. Administrator meets with teacher no more than 7 school days after the completion date to discuss the outcome of the plan implementation.
 - vii. Administrator determines if the plan was successfully completed and the deficiency has been remediated or if a (Level B) –TSP plan is recommended.
 - viii. Signatures of both the teacher and administrator are required on the date the plan is reviewed after the completion date. Failure of a teacher to provide a signature at the time the plan is reviewed will be considered willful neglect of duty.
 - ix. Note: Failure to complete activities assigned during the TSP will be considered willful neglect of duty.
 - x. Level B – TSP plan will be developed using the same procedures as the original TSP. The same requirements for length of the plan and signatures required are the same as the original TSP.
 - xi. Administrator meets with teacher no more than 7 school days after the completion date of Level B – TSP to discuss the outcome of the plan implementation.
 - xii. The administrator determines if the Level B plan was successfully completed and the deficiency has been remediated.
 - xiii. If the Level B plan was not successfully completed or if the deficiency has not been remediated, the administrator will create a plan of action for the teacher. The scope of the plan of action will be at the administrator’s discretion. Possible plans of action could include additional activities to be completed up to possible recommendation for termination.
- g. The TSP plan documentation will be included in the teacher’s personnel file at the Central Community School Board office. A template form of the TSP is located in Appendix A of this document and a form has been created and uploaded into the TED system for administrator use.

5. Grievance Process

LEAs shall include in their local personnel evaluation plans a description of the procedures for resolving conflict and/or grievances relating to evaluation results in a fair, efficient, effective, and professional manner. Refer to **Section 317: Due Process and Grievance Procedures.**

CHAPTER 3: PERSONNEL EVALUATION

301: OVERVIEW OR PERSONNEL EVALUATION

- A. Personnel evaluation for teachers and administrators shall be composed of two parts. Fifty percent of the evaluation shall be composed of applicable measure(s) of growth in student learning. The remaining 50 percent shall be based upon a qualitative assessment of teacher or administrator performance.
 - 1. For teachers, the 50 percent of the evaluation based upon growth in student learning shall measure the growth of their students using data from the value-added model and/or student learning targets, according to guidelines provided by the department. For administrators, the 50 percent of the evaluation based upon growth in student learning shall incorporate a school-wide measure of growth and goal setting for principals is subject to §305.D of this bulletin.
 - 2. The 50 percent of the evaluation that is based on a qualitative measure of teacher and administrator performance shall include a minimum of two observations or site visits. This portion of the evaluation may include additional evaluative evidence, such as walk-through observation data and evaluation of written work products.
- B. The combination of the applicable measure of growth in student learning and the qualitative assessment of performance shall result in a composite score used to distinguish levels of overall effectiveness for teachers and administrators.

303: MEASURES OF GROWTH IN STUDENT LEARNING: VALUE-ADDED MODEL

- A. A value-added model shall be used to measure student growth for the purposes of teacher and administrator evaluation, where available, according to guidelines provided by the department.
- B. Value-added data shall be provided to teachers in grades and subjects that administer state-wide standardized tests and for which appropriate prior testing data is available. The value-added model shall not be applied for the purposes of evaluation in any cases in which there are fewer than 10 students with value-added results assigned to an educator.
- C. The value-added model shall be a statistical model approved by the board for linking academic gains of students to teachers in grades and subjects for which appropriate data are available.
- D. The value-added model shall take into account the following student-level variables:
 - 1. prior achievement data that are available (up to three years);
 - 2. gifted status;
 - 3. section 504 status;
 - 4. attendance;
 - 5. disability status;
 - 6. eligibility for free or reduced price meals;
 - 7. limited English proficiency; and
 - 8. prior discipline history.
- E. Classroom composition variables shall also be included in the model.
- F. Additional specifications relating to the value-added model shall be adopted by the board, in accordance with R.S. 17:10.1(D).
- G. During the transition to new standards and assessments and as a new two-year baseline is set, value-added data will not be available in 2013-2014, 2014-2015, or 2015-2016. During this time, the department shall provide transitional student growth data that may be used as

a measure of student growth, at the evaluator's discretion. LEAs may define local rules pertaining to the use of such data.

- H. When assigning a final student growth score, the administrator may adjust the value-added rating by plus or minus one rating level, based on the teacher's student learning target performance (e.g., the overall student growth rating may be a 2.0 (effective: emerging) or 4.0 (highly effective) if the value-added rating is 3.0 (effective: proficient).

305: MEASURES OF GROWTH IN STUDENT LEARNING: LEARNING TARGETS

- A. The department shall expand the value-added model, as new state assessments become available.
- B. For teachers and administrators, progress towards pre-determined student learning targets, as measured by state-approved common assessments, where available, shall inform the student growth component of the evaluation. Student learning targets shall include goals which express an expectation of growth in student achievement over a given period of time, as well as common measures for assessing attainment of those goals, such as an identified assessment and/or a body of evidence.
- C. Teachers.

A minimum of two student-learning targets shall be identified for each teacher. The department shall provide an evaluative tool for evaluators to use in assessing the quality and attainment of student learning targets.

1. State-approved common assessments shall be used as part of the body of evidence measuring students' attainment of learning targets, where available.
2. Where no state-approved common assessments are available, evaluatees and evaluators shall decide upon the appropriate assessment or assessments to measure students' attainment of learning targets.
3. LEAs may define consistent student learning targets across schools and classrooms for teachers with similar assignments, provided that they allow for ample flexibility to address the specific needs of students in each classroom.

- D. Principals and Administrators.

A minimum of two student learning targets shall be identified for each administrator.

1. For principals, the LDE shall provide recommended targets to use in assessing the quality and attainment of both student learning targets, which will be based upon a review of "similar" schools. The LDE will annually publish the methodology for defining "similar" schools.
2. For principals, at least one learning target shall be based on overall school performance improvement in the current school year, as measured by the school performance score.
3. For principals, at least one learning target shall be based on growth in a component (e.g., ELA or math improvement) of school performance score.
4. Principals at schools with special populations (e.g. alternative schools) or those that do not have grades with standardized testing and available value-added data (e.g., K-2 schools) may define learning targets based on LDE guidance.

- E. The department shall provide annual updates to LEAs relating to:

1. the expansion of state-standardized testing and the availability of value-added data, as applicable;
2. the expansion of state-approved common assessments to be used to build to bodies of evidence for student learning where the value-added model is not available; and
3. the revision of state-approved tools to be used in evaluating student learning targets.

307: OBSERVATION TOOLS

Beginning in the 2013 school year, the Central Community School System transitioned from the LDOE Data Collection System (CIS) to the TalentED Perform System by Netchemia, LLC. This system called *TED* will continue to be used for the 2015 school and will also include the observations and evaluations of all school employees: administrators, teachers and support staff. Evaluative data will be uploaded to the LDOE when the due date is released.

All observers and evaluators; as well as employees (administrators, teachers and support staff) are directed to follow the due date calendar. These due dates will also be embedded into the TED program and will be communicated to all staff via email notifications.

LEAs shall utilize an observation tool to conduct a qualitative assessment of teacher and administrator performance, which shall represent the 50 percent of evaluations that is not based on measures of growth in student learning.

- A. LEAs shall utilize an observation tool to conduct a qualitative assessment of teacher and administrator performance, which shall represent the 50 percent of evaluations that is not based on measures of growth in student learning.
- B. LEA observation tools shall adhere to the following minimum requirements.
 1. The tool for teacher evaluation shall align to the *Louisiana Components of Effective Teaching*. The tool for administrator evaluation shall align to the *Performance Expectations and Indicators for Educational Leaders*, contained within *Bulletin 125—Standards for Educational Leaders in Louisiana*.
 - a. The *Louisiana Components of Effective Teaching* and the *Performance Expectations and Indicators for Educational Leaders* may be reviewed as needed by the department in collaboration with educators administering the evaluation system and appropriate third parties to determine the need for modifications and their continuing utility.
 - b. The board shall approve any changes made to the *Louisiana Components of Effective Teaching* and the *Performance Expectations and Indicators for Educational Leaders*.
 2. Observation tools shall provide an overall score between 1.0 and 4.0. Total scores on observation tools may include tenths of points, indicated with a decimal point.
- C. The department shall develop and/or identify model observation tools according to these minimum requirements, which may be adopted by LEAs.
- D. LEAs which do not intend to use model observation tools developed or identified by the department shall submit proposed alternate tools to the department for evaluation and approval, LEAs shall submit proposed alternate observation tools to the department.
 1. With the submission of proposed alternate observation tools, LEAs may request a waiver to use competencies and performance standards other than those provided in

the *Louisiana Components of Effective Teaching* and the *Performance Expectations and Indicators for Educational Leaders*. Such requests shall include:

- a. a justification for how the modified competencies and performance standards will support specific performance goals related to educator and student outcomes; and
 - b. an explanation of how the LEA will ensure the reliability and validity of the alternate observation tool intended to measure the modified competencies and performance standards.
2. The department may request revisions to proposed alternate observation tools to ensure their compliance with the minimum requirements set forth in this bulletin.
 3. If requested, revisions to proposed alternate observation tools shall be submitted to the department by the LEA.
 4. LEA-proposed alternate observation tools shall be either approved or denied by the department no later than August 1.
 5. LEAs which secure department approval for use of an alternate observation tools need not submit them for approval in subsequent years, unless the alternate observation tools is revised, the *Louisiana Components of Effective Teaching or Performance Expectations and Indicators for Educational Leaders* are revised, or revisions to this Section are approved by the board.

309: STANDARDS OF EFFECTIVENESS

- A. Teachers and administrators shall receive a final composite score on annual evaluations to determine their effectiveness rating for that academic year.
 1. The 50 percent of evaluations that is based on student growth will be represented by a sub-score between 1.0 and 4.0.
 2. The 50 percent of evaluations that is based on a qualitative assessment of performance will also be represented by a sub-score between 1.0 and 4.0.
 3. The final composite score for teachers and administrators shall be the average of the two sub-scores and shall be represented as a score between 1.0 and 4.0.
- B. The composite score ranges defining ineffective, effective (emerging or proficient) and highly effective performance shall be as follows:

Effectiveness Rating	Composite Score Range
Ineffective	$x < 1.5$
Effective: Emerging	$1.5 \leq x < 2.5$
Effective: Proficient	$2.5 \leq x < 3.5$
Highly Effective	$3.5 \leq x$

311: EVALUATORS

- A. LEAs shall establish and maintain an accountability relationships register to clearly define who shall be the evaluator or evaluators within the ranks of teachers and administrators.
- B. Evaluators of teachers shall be school principals, assistant principals, or the evaluatee’s respective supervisory level designee.

1. Other designees, such as instructional coaches and master/mentor teachers may conduct observations to help inform the evaluator's assessment of teacher performance. These designees shall be recorded as additional observers within the accountability relationships register.
- C. Evaluators of administrators shall be LEA supervisors, Chief Academic Officers, Superintendents, or the evaluatee's respective supervisory level designee.
- D. All evaluators shall be certified to serve as evaluators, according to the minimum requirements provided by the department.
1. The department, its contractors, and LEAs with approved alternate observation tools shall serve as the sole certifiers of evaluators.
 2. The evaluator certification process shall include an assessment to ensure inter-rater reliability and accuracy of ratings, based on the use of the teacher or leader observational rubric.
 3. Evaluators on record must renew certification to evaluate annually.

313: PROFESSIONAL DEVELOPMENT

- A. LEAs shall provide professional development to all teachers and administrators, based upon their individual areas of improvement, as measured by the evaluation process. Professional development opportunities provided by LEAs shall meet the following criteria.
1. Professional development shall be job-embedded, where appropriate.
 2. Professional development shall target identified individualized areas of growth for teachers and administrators, based on the results of the evaluation process, as well as data gathered through informal observations or site visits, and LEAs shall utilize differentiated resources and levels of support accordingly.
 3. Professional development shall include follow-up engagement with participants, such as feedback on performance, additional supports, and/or progress-monitoring.
 4. Professional development shall include measureable objectives to evaluate its effectiveness, based on improved teacher or administrator practice and growth in student learning.
- B. Failure by the LEA to provide regular professional development opportunities to teachers and administrators shall not invalidate any results of the evaluation process.

315: INTENSIVE ASSISTANCE

The Evaluator informs the Human Resources Department that a covered employee needs assistance. The evaluator informs the employee in writing that the employee will be placed in an intensive assistance program and the documented reason for it. The evaluator also informs the employee that a conference for intensive assistance will be conducted. The conference is to be held as soon as possible, but no later than ten (10) working days after the observation/evaluation conference.

Documented evidence, in at least one announced observation and/or unannounced observations must be completed on the appropriate observation form for that evaluatee and must indicate that performance or behavior is "Ineffective." It should be noted that walk-throughs, may be used in the overall evaluation process; however, at least one unannounced or at least one announced observation in which the results are "Ineffective" is needed to place an evaluatee on a announced Intensive Assistance Plan (IAP) at the post observation conference or at a summative evaluation final conference or at an appropriate announced conference.

A template form of the IAP is located in Appendix B of this document and a form has been created and uploaded into the TED system for administrator use.

- A. An intensive assistance plan shall be developed by evaluators and evaluatees when an evaluatee has received an overall rating of *Ineffective* or has consistently demonstrated *Ineffective* performance, as determined by the evaluator, prior to receiving such a rating.
- B. An intensive assistance plan shall be developed with the evaluatee within 30 school days of an evaluation resulting in the initiation of the intensive assistance plan.
- C. The evaluatee shall be formally re-evaluated within one calendar year of the initiation of the intensive assistance plan.
- D. If the evaluatee is determined to be *Ineffective* after a formal evaluation conducted immediately upon completion of the intensive assistance plan or if the intensive assistance plan is not completed in conformity with its provisions, the LEA shall initiate termination proceedings within six months following such unsatisfactory performance.
- E. The intensive assistance plan shall be developed collaboratively by the evaluator and the evaluatee and must contain the following information:
 1. what the evaluatee needs to do to strengthen his/her performance including a statement of the objective(s) to be accomplished and the expected level(s) of performance according to student growth and/or qualitative measures;
 2. an explanation of the assistance/support/resource to be provided or secured by the school district and/or the school administrator;
 3. the date that the assistance program shall begin;

 6. the timeline for achieving the objective and procedures for monitoring the evaluatee's progress (not to exceed one calendar year);
 7. an explanation of the provisions for multiple opportunities for the evaluatee to obtain support and feedback on performance (The intensive assistance plans shall be designed in such a manner as to provide the evaluatee with more than one resource to improve.); and
 8. the action that will be taken if improvement is not demonstrated.
- F. Completed intensive assistance plans and appropriate supporting documents, such as observations, correspondence, and any other information pertinent to the intensive assistance process, shall be filed in the evaluatee's single official file at the central office. The evaluatee shall receive a copy of the signed intensive assistance plan and any supporting documents.

317: DUE PROCESS AND GRIEVANCE PROCEDURES

- A. The LEA shall establish grievance procedures to address the following components of due process.

 2. The evaluatee shall be entitled to provide a written response to the evaluation, to become a permanent attachment to the evaluatee's single official personnel file.
 3. Upon the request of the evaluatee, a meeting between the evaluatee and the evaluator shall be held after the evaluation and prior to the end of the academic year.
 4. The evaluatee shall be entitled to grieve to the superintendent or his/her designee, if the conflict in question is not resolved between evaluatee and evaluator. The evaluatee shall be entitled to representation during the grievance procedure.
 5. Copies of the evaluation results and any documentation related thereto of any school employee may be retained by the LEA, the board, or the department and, if retained, are confidential, do not constitute a public record, and shall not be released or shown to any person except as provided by law.
- B. Failure by the LEA to adhere to the requirements of this Section shall be a grievable matter.
- C. The Central Community School System shall establish procedures to address the following components of due process:
1. The evaluatee shall be provided with a copy of his/her evaluation results no later than 15 days after the final evaluation rating is determined and shall be entitled to any documentation related to the evaluation. The evaluatees not performing at a highly effective, proficient effective, or emerging effective level are informed in writing of such determination by the receipt of the evaluation report. A post-evaluation conference is held following the evaluation and prior to the end of the school year/fiscal year in order that the results of the evaluation can be discussed.
 2. The evaluatee shall be entitled to provide a written response to the evaluation, to become a permanent attachment to the evaluatee's single official personnel file. The response may be signed statement clarifying or rebutting the issue(s) in question and must be submitted within fifteen (15) working days after receipt of the dated evaluation. The evaluatee has the right to receive proof, by documentation, of any item contained in the evaluation or the assessment that the evaluatee believes to be inaccurate, invalid or misrepresented. If documentation does not exist, the item in question is amended or is removed from the evaluation. It is incumbent upon the evaluator to comment on and to document specific needs in the evaluation report.
 3. Upon the request of the evaluatee, a meeting between the evaluatee and the evaluator shall be held after the evaluation and prior to the end of the academic year. The purposes of this meeting could be to discuss the results of the evaluation of the evaluatee, to discuss the strengths of the evaluatee, to discuss the areas in need of improvement of the evaluatee, and to discuss the assistance necessary to improve performance.
 4. The evaluatee shall be entitled to grieve to the superintendent or his/her designee, if the conflict in question is not resolved between evaluatee and evaluator. The evaluatee shall be entitled to representation during the grievance procedure.
- D. Copies of the evaluation results and any documentation related thereto of any school employee may be retained by the Central Community School System, the board, or the LDOE and, if retained, are confidential, do not constitute a public record, and shall not be

released or shown to any person except as provided by law. Failure by the LEA to adhere to the requirements of this Section shall be a grievable matter.

E. Grievance Procedure

1. For the purposes of this document and the grievance procedure for the entire personnel evaluation process, **a grievance can only be pursued after the employee receives a rating of Ineffective.** Ratings that are not Ineffective (Effective Emerging, Effective Proficient and Highly Effective) shall not be considered a grievable matter.
2. If an employee disagrees with an evaluator's assessment that is not Ineffective, then the employee may provide their disagreement in writing to their evaluator/supervisor. If the employee chooses to document their disagreement, it must be received by the evaluator/supervisor within five (5) school days and must contain the following:
 - a. the disagreement; and
 - b. provide a reason or reasons to support their disagreement; and
 - c. provide the documentation, data or other facts to support their reasons
3. All written employee disagreements will be kept confidential by the evaluator/supervisor and will become a part of the employee's official personnel file at the Central Office.
