

### Community Eligibility Provision

Central Community School System is still participating in the National School Lunch and School Breakfast Programs known as the Community Eligibility Provision (CEP). All students in the Central Community School System are eligible to receive a healthy breakfast and lunch at NO CHARGE during the 2018-2019 school year. No action is required from you.

Extras, such as an extra slice of pizza, extra hamburger or an extra order of fries all have a cost associated with them. **NO CHARGING is allowed.** Money must be in their account or they can pay at the register for them.
