

Easy Steps to Set Up Your Student Progress Center Account

1. Go to <https://www.centralcss.org/>
2. Click **Student Progress Center** at the top of the screen
3. Click **REGISTER NEW USER** if you wish to set up an account
4. Choose your relationship to the student (this must match school registration records)
5. Enter your Last Name, First Name, and the last five digits of your student's SSN (This is their PSN number)
6. Click CONTINUE
7. Create a Username and Password (remember passwords are case sensitive)
8. Answer the "SECRET" questions
9. Click COMPLETE

You will log into the Student Progress Center with steps 1 and 2 from above, but in the future, you will use the darker blue box that asks for your UN and PW.

Once you are in your student's Progress Center, the menu on laptops and desktops are the titles across the top of the page. On mobile devices, the menu opens when the three bars are clicked.

Please contact your child's school for further assistance.
